

Training Committee Agenda - Feb 26, 2018

Dear Committee,

Our next Council Training Committee meeting will be Monday, Feb. 26, 2018 at 6:30 pm at the council office. All are invited. Uniforms are not required. Refreshments will be served.

Our last meeting was Nov 26, 2017. At that meeting we spent some time reviewing our mission and objectives and some guiding principles we will use going forward. The balance of the meeting was focused primarily on getting ourselves organized for effective work.

We established an organization structure consisting of five subcommittees. We selected chairpersons for four of them that night. They are:

- Program subcommittee, with each of the district training chairs as ex-officio members. Subcommittee chair: Barbara Richard
- Communication subcommittee. Chair: Larry Brammer
- Data and Records subcommittee. Chair: (open position)
- Materials and Quality subcommittee. Chair: Joe Champagne
- High Adventure subcommittee. Chair: Darryl Davis

Joe Champagne took the lead in establishing a website for us that we can use as a hub for all kinds of training-related information: See <http://training.scbsa.org/>. Thanks, Joe!

We also have two Facebook groups:

- Sequoyah Council Training Committee (<https://www.facebook.com/groups/sequoyah.council.training.committee/>). this is a closed group for committee-related discussion (but we'll accept non-committee members who are interested).
- Sequoyah Council Training (<https://www.facebook.com/groups/sequoyah.council.training/>). This is an open group for discussion of all things council related.

Here are the agenda items for the Feb 26 meeting:

1. Program report (Barbara R.)
 1. Current scheduled training

2. Status of long-term program calendar
3. Ideally, we would like to eventually get 1-2 years scheduled
